A clever way to make my mail stand out.

An important message for my customer - on the envelope! **mymail** makes it possible.

LOGO

mymail makes no mistakes

What does my envelope or package weigh? How much postage? mymail knows the answer. **The integrated scale weighs mail up to 2 kilograms**, and automatically calculates the right postage.

I need more postage!
No problem, it’s loaded by modem down my telephone line.

Frank a letter as easily as making a phone call. Simple to operate, easy to read. Mymail - my kind of machine.

Franking machine with optional integrated scales for small mail volumes
