The IS-330 is as ready as you are. With Smart Start technology, each time an envelope is removed from the weighing platform the powerfeeder starts and is ready to process mail.

WEIGHING YOUR COSTS HAS NEVER BEEN EASIER

Don't be confused by postal rates. Let the IS-330 Rate Wizard give you a hand so you don't have to be a postal expert. Whatever rate you need, the Intelligent Solution 330 will help you figure it out. GIVE THE RIGHT IMPRESSION

Promote customer relations with printed messages that enhance the professional look of your organization. Select advertising slogans, or simply customize a text message to reinforce the communication to your customers.

DON'T RUN OUT OF INK

Managing ink couldn't be easier. The IS-330 uses a long-life cartridge and prints a smaller indicia barcode, IBI Lite, optimizing ink yield and minimizing replenishment.
