## POWERFUL PROCESSING DELIVERED FAST AND FRIENDLY

Dynamic business environments count on powerful performers who can get the job done with accuracy and speed. The Neopost Intelligent Solution 420 delivers with fast and friendly operations that are easy to use and reliable.

With state-of-the-art technology and online services under your control, you'll be sure to have the best-in-class solution to meet your requirements.

Practical to use, the highly capable IS-420 with whisper-quiet operation is fast and efficient. Plus, you'll appreciate the sleek ergonomic design that saves you space and easily integrates into your business environment.

### MIX IT UP THE IS-420 WEIGHS IT OUT AND STARTS YOU UP

Fast, accurate weighing and rating. Using Differential Weighing, simply place all your mixed-weight mail on the weighing platform, remove an envelope and the correct rate is calculated. With Smart Start technology, each time an envelope is removed from the weighing platform, the powerfeeder starts and is ready to process mail or automatically dispense a Secure Stick postage label.

### MONITOR, TRACK AND CONTROL THE ONLINE GENERATION

Neopost Online Services give you greater control over your mailing system and postal expenditures. The Intelligent Solution 420 is connected to help you manage your operations more efficiently. Don't run out of ink with Low Ink E-mail Alerts and simplify ink cartridge re-ordering. You'll enjoy hassle-free postal rate changes since they are automatically downloaded ensuring simplicity, accuracy, and compliance. If you have accountable mail, why not use eConfirmation & eCertified services to track mail and receive status email alerts? With convenient online access, you can monitor and track postage, mail class, and department usage.

Smooth, powerfeed provides fast batch processing of envelopes. The extra power when you need it!

Automatic sealing with easy access reservoir ensures a perfect envelope seal

### GIVE THE RIGHT IMPRESSION

Promote customer relations with printed messages that enhance the professional look of your organization. Select advertising slogans, or simply customize a text message to reinforce the communication to your customers. Even your mail class die is set and embedded to automatically print the correct class so you can be sure to save time and costs.

### WEIGHING YOUR COSTS HAS NEVER BEEN EASIER

Don't be confused by postal rates. Let the IS-420 Rate Wizard give you a hand so you don't have to be a postal expert. Whatever rate you need is in the Intelligent Solution 420 and, save even more time by eliminating keystrokes when you select the mail class you need from the Rate Shortcuts menu. From single envelopes to larger packages, you'll have the flexibility you need to weigh and manage your mail with ease.

### DON'T RUN OUT OF INK

Managing ink couldn't be easier. The IS-420 uses a long-life cartridge and prints a smaller indicia barcode, IBI Lite, optimizing ink yield and minimizing replenishment. Plus, the Intelligent Solution 420 will send you a Low Ink E-mail Alert so you can be sure your mail keeps moving when needed. And thanks to the Click n' Snap design, changing ink cartridges has never been easier.

Integrated automatic Secure Stick label dispenser

Space saving integrated five-pound weighing platform with Smart Start technology. External platforms are available with up to 70 lbs capacity.
