## THE INTELLIGENT SOLUTION THAT DELIVERS MAIL CENTER PRODUCTIVITY AT ITS SMARTEST

Dynamic businesses count on smart productivity tools to do more than simply move the mail. The Neopost Intelligent Solution 480 takes mail processing to a new level of intelligence and delivers productivity at its smartest.

With state-of-the-art technology and online services under your control, you'll be sure to have the best-in-class solution to meet your demanding mail room needs.

Easy to operate and convenient to use, the highly capable IS-480 with whisper-quiet operation is fast and efficient. Plus, with the smallest footprint in its category, you'll appreciate the sleek ergonomic design that easily integrates into your business environment.

Automatic Mixed-Size Feeder  
adjusts to sort mail by size  
and thickness.  
Self-aligning rollers  
prevent jams or misprints.

### MIX IT UP THE IS-480 WILL SORT IT OUT AND SEAL IT UP

Eliminate the manual task of sorting mail by size, thickness, or weight. Simply Load 'n Go when you place your envelopes of various sizes and formats into the Mixed-Size Self-aligning Feeder and press start. And no matter what your needs are, the IS-480 can still mix it up, process and automatically seal up to 150 letters per minute. It's that easy. Sorted, sealed and ready to go.

### MONITOR, TRACK AND CONTROL THE ONLINE GENERATION

Neopost Online Services give you greater control over your mailing system and postal expenditures. The Intelligent Solution 480 is connected to help you manage your operations more efficiently. Don't run out of ink with Low Ink E-mail Alerts and simplify re-ordering. Enjoy the hassle-free automatic postal rate change downloads that ensures you're compliant with the latest USPS postal rates. If you have accountable mail, why not use eConfirmation & eCertified services to track mail and receive status e-mail alerts? With convenient online access, you can monitor and track postage, mail class, and department usage.

### MAIL ACCOUNTING SOLUTIONS THAT KEEP YOU IN CONTROL

Optimizing budget and effective costs control are expected in today's business environment. The Neopost Mail Accounting Solution [MAS] delivers the detailed reports you need to track, analyze, allocate, forecast, and consolidate your mail processing activity by mail class, department, time-period and more, even from a distance.

You can even establish budget by department and then monitor costs with automatic alerts or limits controlling overspending. Connect to a PC with Neopost MAS installed and you're never out of control.

### WEIGHING YOUR COSTS HAS NEVER BEEN FASTER

Dramatically reduce mail processing time and simplify operations with the Neopost Dynamic Scale. Its intelligent four-point detection system is patented to automatically weigh and measure full dimensions and then moves your mail by accurately categorizing and rating it in compliance with USPS' Shape-Based Pricing regulations at speeds up to 90 letters per minute. For larger package handling, external weigh platforms with up to 70 lbs in capacity are available that can be ergonomically placed where you use them most. Even more, with Differential Weighing and Smart Start technology you simply place a stack of mail on the platform, lift one piece off at a time and the system will automatically dispense a Secure Stick postage label.

Differential Weighing technology calculates and delivers the exact postage for each item removed from the platform.

Intuitive Color Touchscreen provides simple navigation, minimizes keystrokes and improves efficiency with one touch selection.

- COLOR TOUCHSCREEN CONTROL PANEL
- SIMPLE, RELIABLE, ACCURATE OPERATION
- MIXED-MAIL FEEDING AND WEIGHING
- ONLINE MAIL MANAGEMENT
- BEST-IN-CLASS ACCOUNTING OPTIONS

Wide feed deck processes large envelopes in either portrait or landscape formats.

SBP compliant Dynamic Scale automatically categorizes based on shape and weight, then accurately rates mail at speeds up to 90 letters per minute.

Function Shortcut Keys offer operational efficiency.

### COLORFUL CONTROL SMART AND FRIENDLY

The full Color Touchscreen minimizes keystrokes and puts even the casual operator in control with an easy-to-read dashboard overview. Eliminate errors with a host of smart functions and effortless menu prompts that deliver the fully loaded features of the IS-480. Benefit by using the fail-safe Rate Wizard, or the last rates used – just like redialing a number on your cell phone, and easy-to-use Shortcut Keys that save you time.

### WE'VE GOT YOU COVERED

Neopost Customer Support is there for you with nationwide factory-trained technicians who are ready to assist you. In fact, our dedication to providing you with world-class customer satisfaction is so advanced that we offer automatic diagnostics with our IS product line. By uploading system data, we will be alerted if you are having trouble. With Neopost Online Services, this remote access to your system allows us to analyze the situation remotely and then, fix it accordingly.

# IS-480

## THE INTELLIGENT MAILING SOLUTION

### PERFORMANCE ASSURED

- Ergonomically-designed control panel and menu screen
- Menu selection is colorful, quick and easy
- Whisper-quiet operation
- Self-aligning Mixed-Size Feeder allows reliable processing of mixed mail without manual adjustments
- Dynamic Scale categorizes and rates mixed mail inline at speeds up to 90 letters per minute
- Ink-replacement alerts delivered on the machine and by e-mail
- neoFunds makes it easy to keep your mail moving; simply download postage now and pay later

### EFFICIENCY OPTIMIZED

- Smart Start technology with Differential Weighing eliminates keystrokes and saves time. Each time a mail piece is removed from the weigh platform, the system is set in motion
- Shortcut Keys deliver quick selection for operational efficiency
- Automatic setting of postal rate dies eliminates errors, ensures compliance and improves productivity
- Imprint Memory feature offers direct functional access for fast recall
- Easy postal rate selection with fail-safe Rate Wizard, quick shortcuts, or select from most recently used rates

### COST CONTROL

- PIN code authorization helps you control usage
- Default postage value helps eliminate accidental mis-posting
- Track and allocate postage usage by department or user
- Online access to detailed postal usage by department, class, or user
- Advanced Neopost MAS, PC mail accounting software
- Assign budgets by cost center or department
- Lower costs using USPS eServices plus online tracking and alerts
