After the 60-day trial period, license Shipstream™ Manager software for \$18.99 a month, plus the cost of postage and supplies you use. There will be no additional charge to use the scale as long as you are licensing the software. If you are not completely satisfied, contact us at 1-877-WEB-SHIP to cancel your software license. Any unused postage will be refunded by the USPS. Offer good for new customers only. Cannot be combined with any other offer. The meter and or scale will be used for business or commercial purposes only, and this is not a consumer transaction.
