At home or office, add a special touch to your mailings with the Pitney Bowes Stamp Expressions™ Printer.

Get your mail noticed! Create and print your own valid USPS® postage using your company logo, promotional message or family photo. With Stamp Expressions™ your envelopes and packages stand out from the crowd.

Stamp Expressions™ easy-to-use software installs right on your PC. Download postage and images online – then print, peel and stick just like stamps. You can select from our extensive library of images or create your own.

Put your stamp on things™ with Stamp Expressions™.

Benefits

- Promote your business – help strengthen customer relationships, and create new ones
- Surprise your friends and family with pictures, invitations or holiday greetings
- Never wait for postage
- Purchase postage right from your desktop – online, anytime, 24/7
- Print wherever or whenever you want – all you need is an electrical outlet
- Save money! With thermal label printing there are no ink cartridges
- Be exact with your postage – all USPS® postage denominations are available

*Try Stamp Expressions™ free for 30 days. You only pay for the printer, postage, and supplies. After that, pay \$12.99/Monthly for one year subscription plan. If you're not completely satisfied, return the printer during the trial period with no further obligation and the \$99.00 for the printer and the \$9.49 shipping and handling fee will be fully refunded to you. Postage printed with the Stamp Expressions™ printer is valid USPS® postage, however logos, photos, art work and any images printed by or through the Stamp Expressions™ product are not provided by, endorsed or approved by the USPS® or in any way affiliated with the USPS® Postal Services Customized Postage market test. Additional terms and conditions apply to your use of the Stamp Expressions™ product and service.
