# IJ-40

## **EASY TO USE MAILING SOLUTION FOR YOUR SMALL BUSINESS**

The simple professional and economical solution for  
desktop mailing

WE VALUE YOUR MAIL

# IJ-40

## COMPACT, COST EFFECTIVE AND READY FOR YOUR MAIL

Conveniently compact and easy to use, the IJ-40 boasts many of the features you'll find on larger machines. An automatic label dispenser is included as standard and Neopost AutoFeed can be added as your mailing needs grow.

No more blurry mailing marks. The IJ-40's advanced inkjet technology produces a crisp, clear imprint and a clean, positive message about your company. Your envelopes can be used as selling tools, with the IJ-40 storing a selection of customized marketing slogans. You can get it to print new text messages any time you like.

Quickly processes up to 45 LPM

### NO MORE "GUESS THE WEIGHT"

The IJ-40's integrated, electronic weigh platform allows you to check the weight of envelopes and packages and then automatically applies the correct postage. You can even weigh a selection of items with the differential weighing option – just place the items on the weigh platform and it will calculate the weight of each individual item removed from the stack.

### PROFESSIONAL IMAGE YOU NEED

The IJ-40 is 100% inkjet and 100% digital, which gives you superbly crisp, clean impressions. Up to ten customized slogans can be loaded and you can add your company name, greetings, marketing slogans – even logos and photographs.

### UNPARALLELED EASE OF USE

The IJ-40's easy-to-read display and one-touch controls make operating easy, while long-lasting ink cartridges are a snap to replace.

### RECHARGING POSTAL COSTS MADE EASY

The IJ-40 allows you to easily track your postal costs with mail accounting capabilities for up to 35 departments. Accounting records can be printed onto mailing labels or through an external printer.

**REDUCE WASTE – PRINTS EXACT POSTAGE,  
WHATEVER THE SIZE OF YOUR MAIL PIECE**

**ADD MARKETING MESSAGES TO YOUR ENVELOPES**

**CONVENIENT PRINTING OF LABELS  
FOR PACKAGES AND FLATS**

**ANALYZE, CONTROL AND ALLOCATE  
POSTAGE COSTS FOR UP TO 35 DEPARTMENTS**

Automatic label  
dispenser stores  
and prints up to 50  
labels, for quick and  
easy package  
mailings

Feeds envelopes  
up to 1/4" thick

Easy to use, one-touch  
direct access keys,  
including postage refills

### **THE SIMPLE SOLUTION TO PACKAGES AND FLATS**

Additional scales can be interfaced with the IJ-40 for large, irregular shaped flats and packages of more than 5 lbs. A built-in label dispenser enables the IJ-40 to print onto a self-adhesive strip, making it easy to apply to large packages and flats.

### **A MINI MAILROOM IN YOUR OFFICE**

Linked to a folder inserter, the IJ-40 gives you all the advantages of mini-mailroom capabilities and continuous, ready-to-mail processing. It will deal with your mail in a tenth of the time it would take a staff member to handle it, and can be used for invoices and other marketing activities.

## DIGITAL MAILING MACHINE

The Neopost IJ-40 is the professional choice for ease-of-use and advanced functionality.

- Quiet operation with one-touch controls
- Integrated weigh platform for accurate rate calculation
- Envelope processing speeds of up to 45 lpm
- 5 programmable presets to automate frequent jobs

### TECHNOLOGY FOR ADVANCED BUSINESS

The optional AutoFeed adds even more productivity at speeds up to 65 lpm.

### ONE-TOUCH RECREDITING WITH POSTAGE-ON-CALL®

Many re-crediting systems are slow and complicated, often requiring long calls. The IJ-40 helps you avoid all that. Neopost's Postage-On-Call® refills your machine with postage in just a few key strokes, getting you back to business in seconds. With Postage-On-Call®, there's no more waiting for a check to clear before your postage is available. It's postage when you want it, available to you anytime for round-the-clock convenience - 24 hours a day, 365 days a year.

### WHY CHOOSE NEOPOST

Neopost is a leading worldwide provider for mailing and shipping solutions. Our innovative products and services bring simplicity and efficiency to your complete mailing process to make your business run more effectively.
