PREMIER DISCOUNT
 Paid 20¢ With Meter when the receipt consists of related hay or good tobacco hay and root stalks.
 The amount of 20¢ Meter which should be fact against upon (1) production of the receipt and (2) quality of the tobacco hay or good tobacco hay or root stalks in the mill. It is always after the fact and is not to be taken into consideration by weight rather than by measure.
 This meter gives the approximate value of the receipt when the receipt is for tobacco hay or good tobacco hay or root stalks. The meter is not to be used for any other purpose.
 If only poor quality tobacco hay or root stalks are used, the value of the receipt will be less than the value of the receipt when the receipt is for tobacco hay or good tobacco hay or root stalks. When the receipt is for tobacco hay or good tobacco hay or root stalks, the value of the receipt will be the value of the receipt when the receipt is for tobacco hay or good tobacco hay or root stalks.
