FOREIGN LARGE LOTS

The following 25 lots are from a large bulk accumulation that has been divided into country and regional lots. Condition in all cases is mixed with many cuts and fronts and many covers that have been opened on three sides. There is much duplication but also great variety. All material is non-philatelic in origin. The approximate weight for each lot is provided to give you an idea of what the shipping charges will be.

216. Australia, 120 lbs (a biggie!). ..........................35.00

217. Austria, 3 lbs ...........................................8.00

218. Belgium, Netherlands, Luxembourg and Netherlands colonies, 14 lbs .........15.00

MISCELLANEOUS

251. "Reisert Meters", set of 15 different varieties on types CD, DD, DH and EA, as illustrated in Bulletin's 172-174. ........................................ 5.00

252. Postage due specialty items: POD form 3602 (MAILING STATEMENT - THIRD CLASS MAIL) attached to sheet of paper with meter stamps affixed. From 1960 to 1965 the Soybean Assn franked their 3rd class mail with 1c meter stamps although the rate was 1-1/4c. Their type H44 meter did not print fractions of a cent. After each mailing they would run off the difference onto meter stamps, affix them to a sheet of paper and attach POD form 3602 to it. Many of the meter stamps have slogans. There are 16 such sheets available. When bidding list your single sheet bid but include the total number of sheets you want, i.e., 2 sheets at $x.00 each........................... Minimum bid per sheet 1.00

253. Same as previous lot but type HB4 meter used. One sheet available ........ 1.00

254. Official mail permits, 17 lb box of press printed and machine printed U.S. official mail indicia on cover, some duplication .................. 10.00

255. Official adhesive postage stamps, Scott 0128, 4c, used block of 8 .......... 2.00
