CLOSING DATE: MAY 22, 1993

TERMS

- Lots go to the highest bidder at one increment over the second highest bid. Fractional bids will be REDUCED to the nearest increment.
- In case of tie bids, earliest postmark prevails.
- Bids must be postmarked on or before the closing date. No bids will be accepted, regardless of postmark date, if received more than five days after the closing date, so bid early!
- Prices in the right column are *reserves*, i.e. *MINIMUM BID LEVELS*. Bids below the reserves will be declined. If only one bid is received for a lot, it will be sold at the minimum bid level.
- "Buy" bids will be declined.
- A COMMISSION of *TEN percent for MSS members and FIFTEEN percent for non-MSS members* will be added to all successful bids.
- Postage, shipping, and insurance costs, if necessary, will be billed to the buyer.
- An invoice will be sent to each successful bidder, and lots will be forwarded upon receipt of full payment.
- All successful non-U.S. bidders, please pay in U.S. funds. If that is impossible, please include the equivalent of \$15 extra with payment. Even if in U.S. funds, checks drawn on a *Canadian* bank without a U.S. branch must include an extra \$10. Sorry about this. My bank is not very flexible.
- Refunds will be given for lots not accurately described. Please return such lots within ten days of receipt.
